

November 2023

We have had a great start to the dance season!! We are very excited to see a lot of new dancers this year at KADS! If you have any questions about your classes, please email Miss Kara at KADS0735@aol.com.

Winter weather is coming! Please remember that we do not always cancel classes if school is canceled. If it is snowing, please call the studio after 1:30, if the weather or road conditions are bad, there will be a message on the studios' voicemail if classes are canceled. Cancellations will also be posted in the KADS Facebook page. If you are not following our Facebook page, please do so now!

Recital costume deposits must be made by the end of November. Be sure to make a \$25.00 non-refundable deposit for each class your child is in. You will be billed the remaining costume balance in January.

Please remind your dancers to wait inside the studio for their ride home. We do not want dancers waiting in the parking lot or the street for their rides. Also please be sure to pick up your child on time. Teachers should not have to wait to close the studio for late pick ups. If you are sitting in your car at night, waiting for your child at the North Brookfield studio, please shut your lights off so they are not shining in our neighbor's houses. Also in the North Brookfield Parking Lot, all parking spots are sideways, please do **not** pull in and park in front of the building, facing the building. Parking that way causes more traffic issues than we already have. If you are just dropping off (older children), pulling on the side of the road is easiest.

The studio is closed from Wednesday, November 22-26 for Thanksgiving Break. We are holding classes on Veterans Day.

We are still accepting students for our classes. After January 30, we can no longer accept any more students, or make any changes to your dance schedule. Please pass this info to family and friends. If you are dropping a class for any reason, we must receive an email stating you are dropping the class. You will still be charged the monthly tuition until you email us and let us know you are dropping a class.

Your tuition is due by the 15th of each month, if your payment is received after the 15th, there is a \$15 late charge added to your tuition.

This month, KADS is collecting non-perishable food items. Last year, we were able to bring food to 4 different food banks right before Thanksgiving! Please consider donating what you can so we can help the families in need in our community.

KADS is also donating a Christmas tree for the Festival of Giving Trees in Southbridge again. Each year, we donate a tree that is full of gift cards and toys under the tree. If you would like to donate for the KADS tree, you can bring in either a gift card, or cash, place it in an envelope marked GIVING TREES, with your dancers name on the envelope.

Have a great Thanksgiving!!!!
