Dear Parents and Dancers,

Thank you for choosing Kara Anderson's Dance Studio for your dance education. We are proud and excited to start our 26th season of dance!! We strive to make every dancer at KADS feel like they are a part of our KADS dance family. We are excited to see all our returning students and new dancers in class this fall. Enclosed in your Registration Packet, you will find all the forms you will need to register for our fall classes. Also enclosed in all the information you need to start classes at KADS. Please read all information carefully, there has been changes made in the packet this year.

In dance class at KADS, we strive to provide your child with so much more than dance:

- Develop coordination, poise, grace and physical fitness
- Develop self-expression and creative thinking
- Develop self-esteem and confidence
- Develop a lifelong appreciation of music, dance and the arts
- To be engaged in a physical activity that is healthy and also fun

All dance shoes and attire should be purchased from Village Dancewear in Sturbridge or WOW Dancewear in Auburn. Please bring your dress code sheet with you when purchasing shoes for your child's classes. Your dancer should be in dress code the first week of classes.

We will be starting classes at the Southbridge Studio on Wednesday, September 7, and on Friday, September 9 at the North Brookfield Studio. If there are any changes in the schedule before our start date you will be notified by email. We are accepting new students until February. If you know anyone who is interested in our classes, have them contact me at the studio.

Face Masks are optional at KADS, but please remember this can change. If restrictions are given to MA businesses, we will follow them. Our waiting rooms are open for DROP OFF AND PICK UP ONLY. Please do not wait in the waiting area while your child is in class. We are trying to keep our traffic flow small.

Our classes are fun and energetic, and all dancers are treated equally. KADS is a family! We strive to make each dancer to feel comfortable and welcomed, while learning in a nurturing environment.

Most of our communication will be done by email this year, so please make sure we have your correct email address. Also please follow our KADS Facebook page, a lot of our information will be posted there also.

I am looking forward to another fun and exciting year of dance at KADS! If you have any questions or concerns, feel free to contact me.

Once again, thank you for choosing Kara Anderson's Dance Studio!!

Sincerely,

Kara Anderson
