

Kara Anderson's Dance Studio
Recital Picture Day – North Brookfield Studio
Thursday June 9 & Friday, June 10 @ KADS North Brookfield

Recital Picture Day is back!! We are excited to have Shooting Star Photography for recital pictures this year.

Pictures will be taken at the dance studio on Thursday June 9 & 10. Please be sure to look at the schedule carefully.

You must be ON TIME for your photos, we will not wait for any late dancers. Please make sure you have the correct tights, shoes and hair style. That info is posted on the wall at the studio on the costume pictures. Tights can be purchased from Village Dancewear in Sturbridge or WOW dancewear in Auburn. Make up is optional.

Pictures will be taken at the DANCE STUDIO, there will be no other cameras or cell phones allowed in the dance rooms that day. Siblings can have their pictures taken together. Parents MUST wait in the waiting room while the dancers are being photographed.

Each class will have a group photo taken and individual picture taken. Even if you do not plan on purchasing photos, we would like every dancer in the group photo. An order form must be filled out for each costume your child has, (if your child has 3 costumes, you must fill out 3 order forms) Order forms are attached to this form and can be photo copied at home if you need more. We will have some order forms available at the studio if you forget yours, but please try to have order forms filled out before you come that day. Order forms must be handed to the photographer right before your child's photo is taken. Photos must be paid for on picture day! (No exceptions) Shooting Star Photography will accept cash, check, Mastercard, Visa or discover. Photos will be delivered to the studio and will hopefully be handed out at dress rehearsal.

If your costumes are not paid for in full, and your tuition is not up to date, you will not be able to participate in class pictures.
