

Kara Anderson's Dance Studio

Recital Picture day

Southbridge Studio—Tuesday, May 13 @ KADS

Shooting Star Photography will be taking KADS recital pictures again this year. Order forms will be sent home a couple weeks before your picture day. Photos must be paid for on the day they are taken. Dancers must arrive on time for pictures. We have a lot of classes to fit in in one day, so we do not have time to wait for any late comers. Dancers should arrive in costume, with the correct tights and shoes and hair. (please look at the costume pictures in the studio for that information.) Please purchase tights from Village Dancewear in Sturbridge or WOW Dancewear in Auburn. There will not be any parents allowed in the danceroom while photos are being taken. We will NOT be holding regular classes on Picture Day.
