

January 2026

Happy New Year!

The KADS faculty would like to sincerely thank our dancers and families for the wonderful Christmas cards and gifts we received. Your kindness and generosity are truly appreciated.

I would also like to thank all our dancers, parents, and staff for making the first half of our dance season such a success. We are so proud of all that our dancers have accomplished so far!

New Student Registration

We will only be accepting new dancers **through January 15**. If you have any family or friends who may be interested in joining KADS, please have them call or email the studio as soon as possible. If you would like to add a class to your dance schedule, it must be added before the 15th

Winter Weather Policy

Winter weather is back! Please remember that we do **not always cancel classes when school is canceled**. If weather or road conditions are questionable, please call the studio **after 2:00 PM**. A message will be left on the studio voicemail if classes are canceled. You may also check our KADS Facebook page for updates.

If you are not already following us on Facebook, please do so! We regularly post reminders, pictures, and videos.

(Search **Kara Anderson's Dance Studio**)

Recital Costume Deposits

Recital costume deposits are **past due** and must be paid **this month**. We will be ordering recital costumes very soon.

- A **\$25.00 non-refundable deposit per class** is required
- Remaining balances will be billed in **February**

Recital choreography will begin this month, making **class attendance extremely important**.

Pick-Up Reminder

Please remember to pick up your dancer **on time** after class. Dancers are **not allowed to wait for siblings without a parent present**.

Holiday Reminder

The studio **WILL be open on Monday, Martin Luther King Jr. Day**.

If you have any questions, please feel free to call the studio or email **KADS0735@aol.com**. Thank you once again for your continued support—we truly appreciate our KADS families!

NORTH BROOKFIELD STUDIO: Please remember, if you are parking along the side of the road, **do not park on the sidewalk**. We have many people who walk along this street, and for safety reasons, pedestrians should not be forced to walk in the road due to cars blocking the sidewalk.

Additionally, if you are waiting for your dancer in the parking lot, please **turn off your car headlights** so they are not shining into our neighbors' windows.

Thank you for your cooperation and for helping us remain respectful and safe members of our community. We truly appreciate you.
