

September 2022

## **WELCOME BACK!!**

We would like to welcome our new and returning dancers to our 26th season at Kara Anderson's Dance Studio.

In dance class, we strive to provide your child with so much more than dance:

- Develop coordination, poise, grace and physical fitness
- Develop self-expression and creative thinking
- Develop self-esteem and confidence
- Develop a lifelong appreciation of music, dance and the arts
- To be engaged in a physical activity that is healthy and also fun

Below are some of the safety/cleaning protocols we are using:

- Face coverings are **optional in class** at this point. If your child has COVID, please keep them home for 5 days (day one is the day of the positive test) and they can return to dance on day 6 with a mask on for the next 5 days.

If your child has any COVID symptoms, please test them before coming to the studio.

- Waiting areas/Common areas are open. But we do suggest parent not to hang around in the waiting room if possible. The less traffic in the studio, the less germs to spread.
- Everyone must wash hands after using the restroom, please remind your child
- The rooms are sprayed with disinfectant multiple times a day

Your tuition is due by the 15<sup>th</sup> of each month. If it is not paid by the 15<sup>th</sup>, there will be a \$15.00 late fee added to your tuition. Each dancer will be sent home with a tuition envelope at the beginning of each month. Place your check or cash in the envelope and place your tuition envelope in the tuition box in the waiting room. If you did not receive a tuition envelope, please see your child's teacher. If your tuition is over 60 days past due, your child will not be allowed to participate in class until tuition is paid in full.

Please remember dancers should not arrive to the studio more than 15 minutes before their class. And parents must pick up on time. Our faculty has one class right after another, there is not any time in-between classes for our faculty to watch children while they are waiting for their ride home.

If your dancer is interested in adding additional classes to their dance schedule, they are welcome to come for a free trial of the classes they are interested in, IF there is space in the class. Please be sure to check your email and read all notices sent home from class for important KADS information. Late notices, newsletters and other important information will be emailed to you, and sent home with your child. If you are not receiving any KADS emails, please let your child's teacher know. We will be accepting students for all our classes up until December this season, please let your friends and family know that dancers can sign up at a later date. (Some classes are already full, so the best time to register is NOW) Spread the word to your family and friends!

### **BRING A FRIEND!!!**

October 3-8 is KADS Bring a Friend to Dance Week! You can bring a friend to participate in class with you!

Our ONLINE Team store will be open in October to purchase KADS clothing!! Once our Team store is opened, it will stay opened for 2 weeks only and will open again in February. More info will be emailed and sent home about our Team Store, once it is up and running. Other KADS items will be available to purchase during the year, notices will be sent home when we are taking orders

Be sure to "Like" and follow our Facebook page!! Lots of information and photos are posted on there! Please be sure to take the time to read our notices and emails so you will have all the info you will need. We are looking forward to another great year of dance at KADS!! Thank you for celebrating our 26<sup>th</sup> year of dance with us.

If you have any questions or concerns about your child's classes, please email Miss Kara at [KADS0735@aol.com](mailto:KADS0735@aol.com).
